

Switch to Paychex Today

Receive **One Year** of Complimentary W-2s

Use Paychex Flex® Technology to Manage Payroll and View Reports

We have been delivering payroll peace of mind for over 50 years. There has never been a better time to experience our services:

- Save time and hassle by processing payroll using our online platform, when convenient for you
- Stay in compliance with labor posters, time tracking, and Taxpay®
- Give employees direct access to view their pay and HR information, and make changes to their direct deposit setup when needed
- Streamline reporting with General Ledger reports, and employee analytics
- View and download W-2s and other online reports quickly from web or mobile phone

Discover why over a half a million businesses trust Paychex — the industry leader — for their payroll processing.

Complimentary W-2 Processing

Sign up today and you'll be gifted
one year of W-2 and 1099 processing
in addition to these
comprehensive services.*

Explore Paychex. See the difference.
