

# HEALTH CARE BUILT FOR CONTRACTORS

BENECO HEALTH AND WELFARE SERVICES	Third Party Administration (TPA)	Third Party Administration (TPA) & Broker
<b>Support Team</b> We provide you with a Dedicated Benefits Administrator and your employees with a Participant Resource Center		
<b>Carrier Liaison</b> We take the burden of dealing with multiple contacts off you		
<b>Process Monthly Contributions</b> We provide easy-to-read contribution reports and reconciliation of carrier invoices		
<b>Execute 5500</b> We generate and file your annual 5500		
<b>Pay as eligible</b> We monitor how much you actually owe in insurance, so you're never overpaying		
<b>Medical Administration</b> We handle all enrollment changes, address changes, terminations, and any other participant-level updates		
<b>Annual renewal review and quoting</b> We evaluate medical carriers and products annually, ensuring your plans continue to meet your needs and budget requirements		
<b>Plan benefit &amp; enrollment questions</b> We provide support during your annual open enrollment and act as a resource to your employees during plan enrollment		

## EDUCATION IS KEY

According to a survey on benefits, 77% of employees who understood their benefits offering said they saw themselves staying at their organization for the foreseeable future.<sup>1</sup> Not only can Beneco help you find a benefits package that fits your company, but we can also provide you with information to educate your employees about their benefits.
